

## **CELETRONIX - CTD / DAP Annual Assessment 2008**

**Mumbai, India, October 27th, 2008—**

The results of the UL CTD audit are just out: Red Rocket /Celetronix is now qualified under the new UL DAP 17025 guidelines for quality systems of labs as well as technical competence for ITE, AV and Medical equipments.

Our next step is qualifying our lab as a third party lab to afford facilities to external companies , in principle the UL auditors were satisfied with our facility and would have no hesitation to recommend .

Presently for external companies we are open for pre-compliance work,
