Mumbai, October 21st 2015: With more than 400 employees and their families EOS Power celebrated Dussehra, the victory of good over evil, one of the biggest festivals for Hindus. After performing the pooja (worship) on various work places, the Dussehra ended with music, dancing and the distribution of Kaju Katri, a traditional sweet for that occasion. The highly anticipated award for this year's best Dussehra decoration went to the SMT department. Other prizes have been awarded for best traditional dress, best Indian meal, best safety slogan or best henna painting.
