Ratings Input: 3.0 A max., 100 - 240 ~, 47-63 Hz

Trade mark

Model / Type Ref. LFWLT200-ZXXX-YYY-MMMM

Principal characteristics Cl. I. Output: 200W. More information see additional information

A sample of the product was tested and found to be in conformity with ITAV EN IEC 62368-1:2020;A11

Validity This certificate documents conformity with the standards shown, and also applies as license for use of Nemkos name and certification mark. The certificate and license is valid as long as the applicable conditions are complied with, and provided that any changes to the product are notified to Nemko for acceptance prior to implementation.
New standards or amendments to the standards may imply that the product design must be updated and/or that re-testing and re-certification is necessary.

Additional information See page 2

Compliance with requirements regarding building-in, protection against electric shock and Electromagnetic Compatibility (EMC) must be checked when the equipment is built-in a completed product or forms a part of a complete system.
